MODEL

R350 - 8000

LIQUID VACUUM TRUCK

Overview

The R350 -8000 is manufactured in Australia in accordance with AS1210. This unit comes with a 12 month workmanship warranty and operator manual/maintenance schedules.

Our Liquid Vacuum Trucks are trusted in the waste management sector and used in different applications, including harmful materials containment, oil spill clean-up, septic and hydro-excavation. With payload critical, we ensure our units offer a light tare weight while being built to last.
